

STYLISH. COMFORTABLE. DURABLE.

2025

STYLISH. COMFORTABLE. DURABLE. —————

Designed to stand out. Built to last.

ENJOY SEASON
AFTER SEASON OF
COMFORT AND STYLE
WITH PREMIUM
MATERIALS AND
SIGNATURE DESIGNS.

SATISFACTION | Our premium poly furniture is low-maintenance and can remain outside all year round. Spend your time enjoying your patio and deck furniture, not repairing or staining it.

ASSURANCE | Our furniture comes with a residential lifetime limited warranty or a commercial 5-year limited warranty covering any defective product or part.

QUALITY | Our craftsmen never cut corners. We reinforce our swings, gliders, and benches with aluminum angle braces. We make our own heavy-duty swivels and assemble all of our products with 316-grade stainless steel hardware. Our porch swings come with a stainless steel chain rated at 800 pounds per side.

Take comfort in every detail.

THOUGHTFUL CRAFTSMANSHIP ENSURES YOU CAN
RELAX WITH EASE AND PEACE OF MIND.

ENVIRONMENTALLY FRIENDLY | LuxCraft Poly is made of high-density polyethylene (HDPE), a recyclable plastic derived from post-industrial waste such as milk and detergent bottles. This material is cleaned in a decontamination process to a **purity level of over 99% HDPE**, then compounded into solid board stock material. The resulting product **contains over 90% recycled post-industrial waste** by weight.

AMERICAN CRAFTSMANSHIP | At our Ohio Amish Country workshop, craftsmen draw upon traditional woodworking techniques to build each piece for a lifetime of use.

PEACE OF MIND | LuxCraft furniture comes with a limited lifetime warranty on residential use or a 5-year limited warranty on commercial use, a commitment that reflects our confidence in the quality and longevity of our products.

ASSEMBLED WITH STAINLESS STEEL | All LuxCraft products are assembled with **316-grade stainless steel hardware** for optimum durability. Stainless steel is corrosion and stain resistant, which ensures its brilliant shine will last for years to come with very little maintenance.

EXCEPTIONALLY FADE-RESISTANT | We use only **high color stability UV pigment systems**, which minimize material breakdown from prolonged sun and weather exposure.

DURABLE AND LONG-LASTING | LuxCraft Poly is highly **resistant to moisture, insects, splintering, warping**, and other hazards of environmental exposure common to wood or wood fiber composite products.
