

RATANA

People are intrinsically drawn to experience fresh air and natural settings. To be in true harmony with the outdoors is to respect its existence and its changing behaviours. We feel inspired to precisely design elegant and functional furnishings that live side-by-side with the elements.

Ultimately, this beauty is always paired with uncompromising functionality.

BERGEN

Living · Dining

Rooted in the serene strength of Norway's coastal landscapes, the Bergen collection blends natural elegance with modern durability. Inspired by its namesake city—where fjords meet refined architecture—Bergen reflects a quiet sophistication shaped by nature and design. Hand-brushed aluminum in an Opal Grey finish pairs with Pewter resin for a soft, grounded aesthetic. Slanted backs, inward-dropping seat panels, and reticulated foam padding offer lasting comfort without the need for cushions. With a mirrored frame design, special-shaped sled legs, and contract-grade durability, Bergen brings a sense of calm refinement to any outdoor setting.
